and  
Moselfranken

In a few  
words!

# Some History

- Launched under **LEADER II** – Measure C – TNC only
- Supported by the LEADER Observatory – but slow
- 600 projects from 998 LAGs, IT, ES & FR most active
- Added value, opening minds, exchange, learning and know-how transfer - too ambitious – concrete activities
- **LEADER +** - Action 2 – between rural territories – 2-10% - 464 LAGs – 383 TNC projects - national networks – EU Observatory
- Inter-territorial stronger on projects – TNC on vision
- Time consuming - needs time - but worth it – peer to peer and networking – local benefits - LEADER improvement
- **2007 – 2013** – Measure 421 – joint action – inter-territorial and TNC - non LEADER & 3<sup>rd</sup> country
- ENRD and NRN TA support - on-line partner-search – Focus Group – guidance etc

# Importance Today

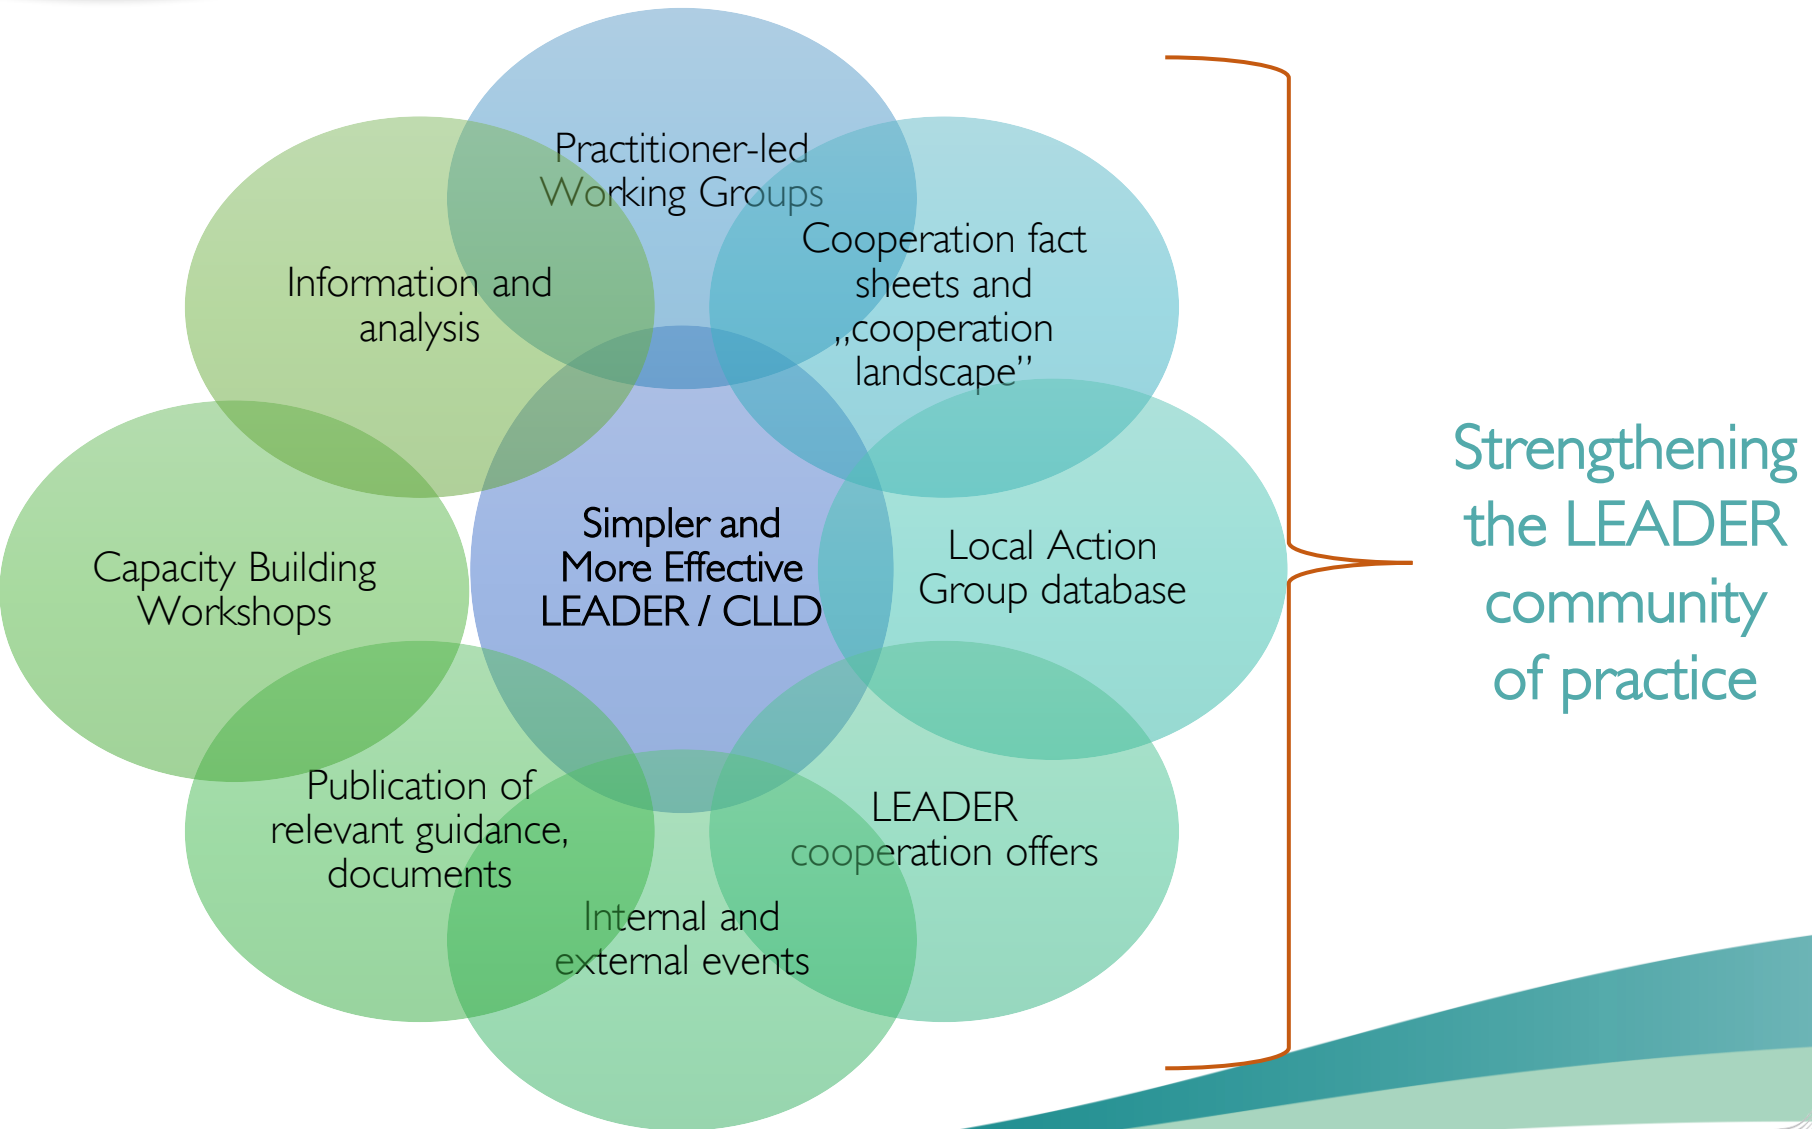

- Stronger focus & tools, prep support, NRN & ENRD TA - CLLD broadens
- Exchange of experience -transfer promising practice - common activity
- Added value of TNC as strategic tool - asset to any CLLD/LEADER LDS
- Widens local views, new knowledge, improve LDS, boosts innovation and competitiveness
- An ENRD priority in strengthening the LEADER approach
- LEADER Subgroup highlights LAG participation and cooperation
- Cork 2 Declaration highlights LEADER and cooperation
- ELARD - create common understanding re TNC benefits / added value
- Bastaad - understand the value of cooperation and benefits achieved LEADER connects local people to EU - evidence of benefits
- **LINC!**
